Auditorium & Natatorium Names Revealed

On Friday our entire staff and student body along with Ron Fuss, School Improvement Specialist with the Georgia Department of Education gathered in our newly renovated auditorium for a historical moment when the names of the auditorium and the natatorium were revealed. Our naming committee was chaired by teacher Alicia Jackson and comprised of staff: Patricia Edenfield, Julee Brown, Tracie Zabokrtsky, Tresha Little, Brittany Jackson, Sylvia Williams, James Massey, Gwen Ridley. Students; Jartavius Primus and Joseph Maxwell. Family members: Pamela Slade and Randy Thomas. This committee submitted the names of Willie Frank Reynolds for the Auditorium and Ivan Glynn Watkins for the Natatorium to the State Board of Education where they unanimously approved these names. Mr. Reynolds and Mr. Watkins were further celebrated at our 2019 graduation on Friday, May 17 at 11 am. The following was read at last Friday's revealing ceremony:

Willie Frank Reynolds Auditorium: *For over 40 years, this special person has selflessly touched the hearts and lives of many of our stakeholders at the Georgia Academy for the Blind. One will never hear him speaking about himself or bragging about his accomplishments or the things he has done because everything he does is "under cover." This person honors the birthdays of each staff member by placing a card in their box. He provides special dinners and treats for the students in the cottages. He ensures that our students have everything they need and will not hesitate to provide a financial donation where needed. This person also serves the community through various avenues including being a member of the Middle Georgia Regional Transition Council. His impact is far-reaching. To say that he is a "good man," doesn't even begin to do him justice. Having over 50 years of service to one entity, truly defines his level of commitment and love for people. It was an honor to select him to be recognized for his efforts in this manner.*

Ivan Glynn Watkins Natatorium *This young man has been teaching for 30 years. In 1984, he began volunteering with the Special Olympics while in college. This year marks his 35th year as a volunteer! His career as a teacher began teaching at the Department of Corrections. After 3 years, he began teaching in Bibb County where he remained for 17 years before coming to the Georgia Academy for the Blind. While working for Bibb County, he coached wheelchair basketball, handball and football, adapted track & field, middle school girls track, basketball and softball. His county-wide wheelchair basketball team won the Youth National Championship and three State Championships. That year, he was named ARC – Disability Organization Teacher of the Year. Since being at the Georgia Academy for the Blind, he has coached cross country, track & field, goalball and wrestling. The girl's goalball teams placed 4th in the 2011 & 2017 nationals, while the boys team placed 4th in 2010 and 2nd place in 2016. He was also named GAB Teacher of the Year 2018.*
