APH Insight's Art Contest had 400 submissions from all over the country, 90 of which were chosen to be in the Insights exhibition. Four of those chosen to exhibit were from GAB. About 15 people received awards and certificates; eight showed up to receive those, and four of those eight were GAB students. And all four students sold their art!

Three of our four students had never flown on a plane before, and they loved it! Other first time O&M experiences included trains, golf carts, 30-foot escalators, moving sidewalks, and automatic-rotating-doors. Students used elevators, walked city streets, ordered food, navigated buffets, were interviewed for a podcast, and stood in front of hundreds of people to receive awards.

Destiny, Karma, Zy, and Tyree participated in a glass blowing experience, making their own paper-weight. They had an audio-described tour of the Kentucky Museum of Art and Craft, and they walked through the woods where more than 5,000 jack-o-lanterns were lit up. An entire section of the trail had pumpkins carved to look like portrait paintings we've been studying in Art Class. It was an experience of a lifetime!
