*****Attention!**

Compliance to dress code will continue to be enforced this week!! (Clothing should cover and fit appropriately, and graphics should in a manner appropriate for school environment!

Transition Talk

Dear Parents/Guardians,

As you begin to think about your student transitioning from school to postsecondary options, GAB would like to introduce you to an additional service that your student may be eligible for. This service is Georgia Vocational Rehabilitation Services. Vocational Rehabilitation (VR) provides services to help eligible persons with disabilities prepare for, start, and maintain competitive employment. The goal of VR is to assist students after they leave high school to become productive and independent citizens in their communities.

VR offers many services such as:

Counseling and Guidance

Postsecondary Support

Supported Employment

Work Readiness Training

Work Adjustment Training

Vocational Training

On-the-job training

To receive VR services, your student needs to be on a caseload. If you would like to begin the process for your student to be placed on the VR caseload, please email me at ajackson@doe.k12.ga.us and I will send you the Transition Parental Permission form. Please complete this form and return it to me, Alicia M. Jackson, and I will then send the paperwork to GVRA for processing. I also encourage you to contact Ms. Jennifer Arnold, GVRA Counselor at 478-245-7576 (c) or 478-953-1095 (office) to begin the process of ensuring that your child is on the GVRA caseload and to gain additional information regarding their services. For your student, time is of the essence for these services to be in place before they graduate.

If you have any questions,
please do not hesitate to reach out to me.

Alicia M. Jackson
Principal of Transition

Help A Child Smile

Mobile Dental Program

Greetings Panther Parents!

This is your GAB counselor, Mr. Burch, letting you know about a Mobile Dental Program. Some of you have already turned forms in for Help A Child Smile, however, if you are interested in having Help A Child Smile service your child then let me or Ms. Minter know so that we can make sure to send a form home with your child. Thanks and have a great day!

Project | SEARCH®

The Project Search crew went downtown to visit the bank and eat lunch. While in downtown on such a beautiful day, they explored Macon's latest Artwork.

This year is starting off with a “BANG” in our BOX TOPS collections.

Here are a few places that you have gone and uploaded your receipts.

Kroger, Publix, Ingles, Boxed.com, Dollar General, Walgreens, Walmart, CVS Pharmacy, and Harris Teeter. The places you can buy products that have BOX TOPS are everywhere, so be on the lookout for that symbol.

Our total since the beginning of July 2022 is unbelievable. We have a total of \$84.00!!! * That is 80% of our 100% goal. *

We are going to be able to set another goal before the end of this school term!

I am so thankful for all your support. This money is earned is used for field trips with our students.

Please continue to shop and upload your receipts. Remember to select: Georgia Academy for the Blind.

Thanks,

Ms. Layson

If you need any help is getting started contact me at slayson@doe.k12.ga.us.
