Princess Eleanor Rogers received an air iPad. Her name was selected from a drawing after her submission of enough reading hours in this summer reading program with Georgia Library System (GLS) for the blind and print disabled. In addition, she received two certificates and miscellaneous items.

Princess is wearing a blue shirt with the braille alphabet and a title that says, "Braille Readers Are Leaders" in the Washington Library with books in the background.

The GLS (GA Library Service for the Blind and Print Disabled) has added a new policy that new applications for persons under the age of 18 must include a Parental

Acknowledgment for NLS Services and Devices, signed by the applicant's parent or legal guardian. All current users must also have this form on file by January 1st . If you would like your child to continue receiving services or would like them to apply as a new user, please complete this form and return it to Ms. Smith.

Parental Acknowledgment for NLS Services and Devices

Required for new applicants and existing patrons who are minors (under 18 years old). Please choose one of the following options:

- ☐ As the parent/guardian of the applicant or patron, I acknowledge that my child will receive services and equipment and that my child will have access to the entire NLS catalog of reading material. All materials and equipment (including digital talking book cartridges, hard-copy braille, players, and accessories) must be returned when no longer needed.
- ☐ My child does not have my permission to receive services from the Library of Congress. Please suspend their account and discontinue all braille and talking book services. I will return any materials that are currently on loan to my child, including digital talking book cartridges, hard-copy braille, players, and accessories.
