Ms. Alicia Jackson, Superintendent

December 3, 2024

Dear Parent or Guardian,

Georgia Academy for the Blind will take the new Georgia School Climate Survey this year. Each parent or guardian is invited to take the family version to answer questions about the current school or schools you have a child or children attending. ***If two or more children attend the same school***, please only complete one survey for that school.

The survey measures what you think about how the school engages with families. Answers are not linked to names in any way. When typing answers, please do not give names or information that you do not want to share with this school. Data will be shared with school leaders to help improve the school and will be published on the GaDOE website.

Please help by sharing your honest opinion on this **22-question survey**. To take the survey, please click this link: <https://survey.gadoe.org/FM?sid=0A72513C>. You can also use your phone to complete the survey by clicking on the QR code attached to this newsletter.

If you have any questions about the survey, please contact our parent mentor, Jennifer Minter, at 478-751-6083 x1140 or [jminter@doe.k12.ga.us](mailto:jminter@doe.k12.ga.us).

Best regards,

Alicia M. Jackson, School-level Superintendent

38th Annual

# FESTIVAL of TREES

Museum of Arts and Sciences

**The 2024 Festival of Trees is the Museum of Arts and Sciences' largest annual fundraiser that represents three generations of investment in the Museum's educational programming. With generous support from our donors and volunteers throughout the festival activities, we can provide high-quality programming with affordable admission for families of Central Georgia. The Festival of Trees exhibition features over 60 beautiful Christmas trees decorated by local and regional designers. The exhibit is on display from November to January and can be viewed with regular museum admission.**

**GAB Art students participated in the Festival of Trees at the Museum of Arts and Science by creating ornaments and decorating a tree. This year we chose a woodland theme, building on the idea that trees are not only a symbol of Christmas but of growth and learning. Our campus has about 170 trees from which we collected pine cones and sticks. We painted, glued, wrapped yarn, and strung wooden beads to make these ornaments. Our tree incorporates sensory experiences beyond vision: the smell and feeling of the prickly pine cones and sticky sap, the taste of cinnamon and orange, all of which contribute to a rustic and outdoorsy holiday experience. Our tree will be on display at the museum throughout the month of December.**

WISHING YOU

# GAB's Student Art Exhibition: *People, Places, and Things*

will be on display in the Hendrix Building multipurpose room December 18th-20th. Come see what our Middle School and High School Students have learned about subject matter in art through still life drawing and portrait painting.

Special, handmade gift items will be on display at the exhibit for the **Art Sale**, Dec 19<sup>th</sup> for students, and Dec 20<sup>th</sup> for the public. T-shirts, aprons, jewelry, ornaments, and ceramic items will be sold from \$1 - \$10. It's the perfect chance for students to get their holiday shopping done!
