## School Calendar for 2021-22

GAB will offer onsite instruction services only for the 2021-2022 school year that begins August 9, 2021.

If any family feels that onsite services at GAB are not appropriate for their child, then IEP meetings must be scheduled to plan accordingly. I have included this information in the Panther Press for several weeks now and School Council has approved. We want to ensure that plans are in place for each student in a timely manner. Ms. Thompson and Ms. Lynch's **Environmental Science class have** been learning about recycling, natural resources as well as renewable and non-renewable energy. Right next door, Ms. Applebee's classes were learning about famous upcycle artist El Anatsui. Upcycling is reusing discarded objects or material in such a way as to create a product of higher quality or value than the original. The two classes decided to put their knowledge together and turn recycled materials into wearable items. They had a high trashion photoshoot.

### **Attention Parents of High School Students:**

Paperwork for your student's proposed classes for next year will be coming home this weekend. Students may have up to 3 forms. The "Student Plan of Study" shows which classes their student has already earned credits for and which classes their student still needs to take to earn all their high school credits. Parents may keep this form. The form with the Panther and Georgia Academy for the Blind at the top has proposed classes for your student for the 2021-2022 school year. Please sign and return this form. Some students may have a pink form "Career Pathway or Concentration." Please sign and return this form indicating you are aware of the Pathway you student has chosen. If you have any questions, please contact Stephanie Knight at sknight@doe.k12.ga.us

On Friday, May 7, 2021, we will celebrate the 8th Annual School Lunch Hero Day! School Lunch Hero Day is a chance to celebrate our hard-working school nutrition staff. Between preparing healthy meals for students, adhering to strict nutrition standards, navigating student food allergies, and offering service with a smile. GAB truly appreciates our School Lunch Hero's!!!
