## Consent for Club Participation

The Georgia Academy for the Blind offers a variety of extra- curricular activities, including several school sponsored clubs. These clubs are those under the sponsorship, direction and control of the school. State law requires that parents have the right to withhold permission for their students to participate in any school sponsored club or organization designated by them.

If you **DO NOT** want your child to participate in any of the following clubs or organizations, please indicate by **placing a check mark beside the club's name** in the list below. This list may not include any future organizations. If any new clubs are created then parents will be notified regarding the nature of the organization and their child's desire to participate.

**Only mark those clubs in which you DO NOT want your child to participate. A full description of each club, its purpose and activities, is included in the Student Handbook.**
