GAB’s very own, Allison Hawkins, was a presenter this year! She spoke at GASOPT, a statewide organization for therapists working in schools throughout the state. Allison presented on supporting students with visual impairments in the school setting. She shared information regarding priorities to assess skills with the VI population, as well as, the role therapist can play in supporting ECC skills. It was a wonderful opportunity to share about services we provide at GAB and help educate therapist on how to best support.

About Unity Day – Wednesday, October 23, 2019

Together against bullying. UNITED for kindness, acceptance and inclusion.

Make it ORANGE and make it end! What are your true colors when it comes to showing that you believe that all youth should be safe from bullying? Come together in one giant ORANGE message of hope and support, WEAR AND SHARE ORANGE to color our nation, and even the world, visibly showing that our society believes that no child should ever experience bullying. “A universal message that bullying is never acceptable behavior.”

GAB had 4 campers that attended Camp Courage this last week! This was the largest group this year that has attended with campers from 3 states.

There is no charge to the campers or their families who attend Camp Courage. Generous donations from sponsors make the camp possible. Student teachers from the University of North Alabama serve as counselors for the camp. They are supervised by a team of Helen Keller Fellows, who are highly-qualified teachers of the deaf-blind.

Several classes in the cottages got to visit the fire truck this week. Mrs. Bechtel’s husband, Tim Bechtel, is Assistant Fire Chief for Peach County. He brought the fire truck for various classes to visit. The students enjoyed hearing the bell, horn and siren on the truck. They got to try on the Fire equipment and sit up in the big seat!
